I George F. Barney of Southborough in the County of
Worcester and Commonwealth of Massachusetts, declare
and say that I actually performed and furnished labor,
and furnished the materials which were actually used for
painting, in the erection of a certain dwelling house and
stable situated on a piece of land in said Southborough
on the northerly side of the road leading from the center
village of said Southborough past the dwellinghouse
of Joseph Burnett, which piece of land is the same
bought by Samuel Appleton of said Southborough
of Joseph Burnett in the year 1868, and is bounded
on the south by said road, on east by land of F. Parker,
on the north by land of Eben Fay, and on the west
by land of one Reed; - which land, house and stable
are those now occupied by said Samuel Appleton;
by virtue of ~~an~~ oral agreement ^{and contract} made by me with
said Samuel Appleton, the owner of said land, dwelling
house and stable, and with said Appleton's consent;
which agreement ^{and contract} was made by myself and said
Appleton in the month of February, A. D. 1868:
that I commenced to perform and furnish said
labor as aforesaid, and to furnish said materials as
aforesaid on the eighth day of May, A. D.
1868, and that I ceased to perform and furnish
said labor as aforesaid, and to furnish said materials
as aforesaid on the ninth day of April, A. D. 1869;
that the account ^{and statement} hereto annexed is a statement
of a just and true account ^{of the amount due me as account} of having so performed
and furnished labor and having so furnished
materials ^{in erecting said house and stable} with all just credits given, ~~which~~
^{account and statement is made a part hereof, that}
all the labor in said account named was actu-
ally performed and furnished by me on the dates
charged, and all the items of materials were actu-
ally furnished by me to be used as aforesaid on the
dates named, that said Samuel Appleton is the
owner of said piece of land, house and stable so
far as I am able to ascertain, or as is known to
me, except that I am informed some person or

persons whose names are to me unknown have one or more mortgages upon said premises of a later date than said contract; -

And I claim a lien on said dwelling house and stable and also on said piece of land for said sum of five hundred and thirty nine dollars and sixty cents, the balance of said account due for labor performed and furnished and materials furnished as aforesaid ^{by me in erecting said house and stable}. All of which said sum is now actually due me; -

G. F. Barney
